Marriage Over Wedding Commitment

I will love, **honor**, and respect my spouse and our marriage. I will recognize marriage as a holy **Covenant** instituted by **God**. I will be faithful to my spouse and our children. I will be by their side through the good times and the tough times; despite the circumstance, I will have the courage and **discipline** to always remain with them. I will not compromise my character, integrity, or marriage by putting myself in compromising situations with anyone who is not **My Spouse**. I will guard the special **bond** that my spouse and I have; I will guard it like a priceless jewel and the special treasure that it is. I understand that when I have a **victorious** marriage, my spouse wins, our children win, and society wins. I'm committed to do everything in my **power** to not only be **married**, but to stay married.
